TALE OF TWO TITTIES...

BRIANNA COSTELO APRIL 2010

GREAT X-PECTATIONS

I've been married five years to my wife, Dawn. In addition to being my best friend, she's a great lover. I had always been a faithful husband, that is until her old college roomie Maria came to town.

It was the first time I'd ever met Maria. She was a tall, dark, Latina. She had an amazing body, but it was her eyes that captured me. Dawn made the introductions then went into the kitchen, leaving Maria and me alone. Maria gently took my hand, and I felt a jolting surge of electricity as she looked directly into my eyes and teasingly licked her lips.

All through dinner, I couldn't take my eyes off of her. As she and Dawn reminisced, I closed my eyes and imagined what it would be like to ram my meaty rod into her spicy taco. That got me thinking about what was under Maria's dress, so like a horny frat boy, I dropped my fork and took a look under the table. I took a quick peek between Maria's legs and was surprised to find she had nothing on underneath her dress. I could barely see her glistening pussy amidst her dark, coarse pubic hair, but she must have known I was looking because she spread her legs wider, giving me a full view of her rosy clit and her pink hole. When I climbed back up, Maria was smiling, and I just blushed.

For the next couple of days I suffered, knowing that Maria was always around. She was staying for a week, and I wasn't sure I'd make it. She was always wearing something seductive, and whenever we were alone in a room, she always made sure to sit with her legs spread wide enough for me to see she wasn't wearing any panties. Once she even slipped her fingers into her cunt, then licked her juices off.

One night I was so restless from thinking about her, I got up and went to the kitchen for a drink. I finished my glass, and when I turned around, Maria was there, naked. Maria smiled and came over to me. I don't know what came over me then, but I forgot all about Dawn and went crazy on Maria's tits. I groaned as I sucked hungrily at her soft flesh and her succulent nipples.

She slid down my body until she was on her knees and gently pulled down my shorts. I closed my eyes as her soft mouth took in the length of my hard cock. She sucked me slowly and rhythmically. I looked down as she teased the head with the tip of her tongue. "God, I want to eat your pussy. I want to fuck your hot cunt until you scream," I begged.

She smiled and nodded, and I lifted her onto the table. She parted her legs wide, and I dove into her sweet pussy. My tongue moved crazily over her pearly clit, and she squealed as I plunged in and out of her slit. I wanted to taste every last bit of her cunt, and I sucked every drop of Maria's nectar as she climaxed.

She leaned over the table and slipped my throbbing cock into her pulsating hole. Her pussy walls grabbed hold of my rod, and I built up speed, pumping her faster and faster. I buried my cock deeper into her hole until her cunt had all but swallowed my shaft and balls. Faster and harder we fucked until I couldn't hold it any longer. I buried my face in her luscious tits to keep from screaming aloud as my thick load of cum shot into her.

When we were through, Maria got up and kissed me tenderly. Then, without a word, she went back to her room and closed the door. I sat and thought for a moment before going back to bed. When I got back, Dawn was sitting up in bed smiling.

"I was hoping the two of you would finally connect," Dawn said as the door opened behind me and Maria came in. She passed by me and climbed right into bed beside Dawn. Then, to my surprise and delight, she and Dawn began to kiss and fondle each other. But that's a nasty tale for another time!

COCK TALES

Just before I was to leave the office, I checked my voice mail messages, and to my surprise, there was one from a very special man I had not seen in months, who was in town for a meeting. "I was wondering if you would like to do dinner?" the machine said.

I called his cell and got his voice mail. It was late, but I told him to drop my place, and maybe we could grab a drink nearby. When I arrived home, I was pretty exhausted, and left the door open inadvertently, and headed for the bathtub to soak my aching body. I must have been in the tub for about 30 minutes, when I heard the door close. It wasn't loud. I was a little excited, thinking Mark might walk in at any moment.

A moment later, he appeared. "Hmmm…" he said, leaning against the wall. "I didn't expect this."

"I wanted to take a long bath. I've had a long day," I replied.

"Well, I like it," he replied, removing his shoes and socks. "My meeting went well today, and I think a nightcap and maybe a little dancing might be fun…" He continued to remove his clothes, including his tie, shirt, trousers, and boxers, standing before me with his hard penis.

"I see you're all ready to 'dance,'" I said, gazing at his penis as he approached me in the tub. I sat up, allowing him to get a compete view of my breasts, which he loves to fondle and caress.

"Why don't you turn around, too," he said.

It was a little difficult, but I managed to turn around in the tub, so that my ass was pointed upward. Mark ran his hand over it gently, tracking his fingers over my ass and pussy. "Let's see the other side," he whispered.

I turned back around, splashing a little water on the floor, and lay prostrate in the tub, with my thighs spread. My chest was heaving. I knew what was coming. Mark knelt at the foot of the tub, reached down into the water, and began to touch me—there. "Please, Mark…" I moaned, reaching out and feeling his stiff penis. He leaned forward, and we kissed.

He pulled back, and I bent down and took his cock in my mouth while squeezing his sac. For a few moments I basted his cock with my tongue, savoring the taste.

"Maybe you should get out of the tub," he said, standing up.

I stood up, and Mark reached for a towel, drying me off softly, first at the shoulders, then around the back, and then my front, paying special attention to my breasts, which were aching.

Silently, he maneuvered me around to the sink, so that I was facing the mirror. He pressed his cock against my ass, rubbing it up and down my crack with one hand, while fondling my breast with the other, and staring at my eyes in the mirror at the same time.

Gently, he inserted himself, thrusting his cock inside of me. I spread my thighs and bent at the knees. He moved his other hand up to my breast and was now squeezing both. A moment later, he placed his hands on my hips, and began to thrust harder and harder. I started to orgasm. I was so hot for him.

Mark grunted and began to cum. As he did, he withdrew. I turned, fell to my knees, and started sucking him off, just as he shot his load into my mouth. "Mmmm…" I moaned, licking him clean.

He carried me into the bedroom and lay me on the bed. He spread my thighs and went down on me, licking and sucking my pussy until I came. But, he would not stop, even after my fourth orgasm, and I started squirming around the bed. "Oh, baby! Fuck yeah!"

He mounted me in a second, pushing my legs upward, and began thrusting into me like mad as he sucked my tits. I wrapped my legs around him, grunting loudly. It took him longer the second time—thank goodness—but when he came, it was amazing.

We never did make it out for a cocktail, but this cock tale was much better.

Rhiannon's

Breast Of Times

Destiny B. Wild first came to us through an agent that we know. She really wanted to be in Genlt magazine and made the trip up to us from Kentucky where she lived, just so Anton could get a look for at her and consider her for the magazine. As soon as she walked through the door she realized that she would be a nice addition to the mag.

From that day on, we all became friends. We stayed with her and her partner in a timeshare in Las Vegas during the Exotic Dancer Expo. It was during that time that we realized that although she liked men, her real taste was in women, and pussy.

The next time she was in town, we booked her for a photo shoot. Since I'm always looking for girls to do shoots with, she seemed the perfect choice. So after and time shot a couple solo layouts with her and even another layout with another girl, it was my turn to let destiny slip between my thighs.

I was at the studio most of the day watching her shoots. The entire time, the sexual tension between us was building, to the point that by the time we got onto the set both of our pussys were dripping.

Although she had spent a lot of time in girl/girl action in her real life, she had never spent much time in front of the camera, so she was not quite sure what to do. Luckily for her, I knew exactly what to do.

I pulled her into my arms and pressed my lips tightly up against hers. It only took a few seconds for her to fall into my wily clutches. My tongue parted her fat lips and slipped into her

26660

mouth. Her tongue jumped up to meet mine and we jousted for what seemed like hours. I sucked her tongue deep into my throat and lightly bit on it. I then forced it back into her mouth, which she willingly sucked deep into her throat. All the while her hands had moved up to my big tits, and was greedily squeezing and fondling them.

I laid myself back on the bed pulling her down on top of me. Taking her head in both my hands I guided her down between my open thighs. Once she realized where I was going, she pounced face first onto my wet, we open cunt. Her tongue shot out like a heat seeking missile, easily finding its target. It's licked over my throbbing clit, sending sparks through my entire body. I pulled my knees up to give her full exposure to my slit. Her tongue was doing laps around my bud, making it shudder nearly bouncing me off the bed.

She began alternating between my click and sinking her stiff tongue deep into my tight hole. I took her head back in my hands and pulled her in tighter. I ground my twat all around her beautiful face, leaving trails of cunt-cream glistening on her cheeks.

As I used her face as a sex toy I could feel my entire body begin to tighten, knowing that a huge orgasm was impending. My hips were blocking off the bed to meet her oral ministrations. There was no turning back now. It was all she could do to hold on as I was out of my mind, wrapped in a monumental orgasm.

Once I had sufficiently cooled down, I pushed her back onto the bed,

and rolled over on top of her. Now it was my turn to flick my tongue across her vibrating clit and give her a taste of her own medicine, as sweet as it was.

While she may have been the real carpet-muncher on the bed, I was the true aggressor. This was my party and I was in charge. I had every intention of giving as good as I had gotten. It was now my tongue flicked over the swollen clit, sending fireworks through her body. I pulled out a thick red dildo and placed the fake head to her drippy pussy. While continuing to lick her bud, I pushed forward on the fat phallus, and it easily slid in, parting her gooey gash.

Loud moans escaped her mouth, filling the entire studio with the sounds of sexual delight. She was fully lost in the moment and my actions. And I was not too far off myself. I was fully enjoying the taste of her girl cream, as I buried the mighty toy deep into her cunt.

Now was she who was bouncing off the bed. While cock may be my first love, as you all know, I have spent a good amount of time with pussy. I always believed, that if you are going to do something, always do it well.

I pulled my face from her slit and rolled her over onto her knees. I got up next to her and reached over between her butt cheeks, then placing the toy to the mouth of her greedy gash. This time I wasted no time and pushed it in and tell my knuckles were resting on her swollen lips. Without pausing for acceptance, I pulled the toy out and slammed it back in. The moans again flew from her mouth. My intention this time was no mercy. I was going to take her to the top and push her off the edge into a mighty orgasmic explosion. From the sound and the feel it didn't appear that that was going to take too long.

I was fucking her so hard with the toy, that my knuckles were punching her clit. Her hips were pushing back as quickly as my hand was pushing forward. I was either cunt like a punching bag, and she was loving being my sparring partner.

I continued my assault for what could not have been more than two minutes, when her moan's turned to virtual screams. Although we were in the throes of passion, this really was a photo shoot. I pulled my eyes from her slit for a brief second, just to notice that everyone in the place had stopped and was watching our show.

Her screams war at the full volume now and I felt her whole gripping the tool. I reached my other hand around and under her body. My fingers began to massage her throbbing, begging clit. That was all it took to send her over the edge, and she exploded into a mind numbing cum.

Her body continued to the rash all over and I made no move to stop what I was doing. I wanted to leave no doubt in her mind that she had been fucked by Rhiannon. I may not be a lesbian, but I still know what it's like to make a pussy feel good.

CONFESSIONS

Of A Big-Tit Slut!

FEATURING JESSE JANE

Most men have the fantasy of having two women at once. Well, something like that happened to me when my girlfriend Kristen admitted that she and her best friend Claudine had shared each other in the past.

One night I got home and my girlfriend left a note about an errand she needed me to run while she was at work. She wanted me to stop by Claudine's house that evening and, if she was home, pick up something from her. I called Claudine and told her I would be over around eight.

I arrived and was about to ring the bell when I heard a voice. I stepped over to a window that was open, to see if I could tell if Claudine was on the phone or if she had company. What I saw stunned me.

Claudine had company—a hot blonde who was completely nude! Then I saw Claudine across the living room also naked. As I watched, the blonde moved closer and placed both of Claudine's legs over her shoulders, then buried her face between Claudine's thighs. I watched with a bulge in my pants as the blonde continued to lick Claudine. I could see the blonde's ass and pussy as she serviced Claudine. It wasn't more than a few minutes later that Claudine began to really fuck the blonde's face. Several cries escaped Claudine's lips as she began to climax. "Oh, yes!" Claudine screamed as she began cumming. It was over in seconds, and I realized then that my hand was holding a tree in my shorts.

Claudine sat in the middle of the couch as her gal-pal came forward and half-crouched in front of her. The blonde thrust her hips forward, grabbing the back of the couch for support. Claudine's arms encircled the girl's hips as she cupped a pair of beautiful buttocks in her hands and drew her up against her breast. The blonde began to move her hips up and down as Claudine planted her mouth on her bush, shaking her head vigorously back and forth hard enough that I could see her breasts dance and shake. "Lick my pussy!" the blonde begged as she rode

Claudine's face. I could see her tits heave as she began to shudder bodily, stopping in a new position after each tremor. When Claudine released her grip on the girl's ass, the blonde fairly fell onto the couch.

I watched as they tenderly embraced and kissed, Claudine lying next to her friend sharing quiet whispers between them. Then I figured I'd better move away from the window, and cool off.

I walked to the street and lit a cigarette, trying to concentrate on baseball or the "Golden Girls" or something to reduce the bulge in my jeans. It took two smokes and a short walk down the block to do it.

Finally, I rang Claudine's bell as my mind raced with possibilities. The door opened, and Claudine greeted me now wearing a pair of jeans and a tank top which did little to hide her nipples which were still hard and stiff.

"Hi, Jay," she exclaimed in her normal greeting to me. "Come in. It'll only take a sec for me to get the dress Kristen wanted to borrow." I entered eagerly, hoping they would offer an encore. Claudine disappeared into the bedroom, and as I looked around, I realized blondie must have taken refuge back there, too. Soon, Claudine returned and handed me the dress. The scent of pussy hung in the air all around me.

Without a word, Claudine stepped forward, and kissed me full and hard on the mouth. I responded the only way I could, returning her kiss. After a few moments we uncoupled and stood back.

"Whew!" Claudine said. "Do you always kiss Kristen's friends like that?"

"Only when they show off their tits in slinky nylon tops." I replied. Then quietly so only she could hear, "You taste like you've been up to something. I'd better leave so you can get back to her."

TEENIE GOES TO COLLEGE!

My first semester of college was both exciting and eye opening for me. There was so much I had never experienced before living on campus. I wasn't a virgin or anything and I certainly wasn't a prude. I was pretty and I dated some of the football players in high school, but I never got a chance to have a lot of sex. Well, I mean good sex. The boys were too intimidated by my big boobs and full hips to really make a move. Also, as much as I loved doing it, if this small town preacher's daughter got a reputation for sucking dicks at parties, it wouldn't be a good thing for my innocent facade. I relieved my pent-up stress like most teenage girls—I bought a vibrator and buzzed the rising tension away. So, out of respect for my family, I kept my overheated libido under wraps.

However, when I was in college, I was so excited to be in a whole new state and just to be free of that goody-goody responsibility. I liked my roommate, Shelly, but we were so different. I arrived bright and early and set up my side of the room and she came in while I was registering for classes and having dinner with the RA. Shelly arrived later and made her bed, unpacked her clothes and had already gone out to a party. I'm curvy and blonde with deep green eyes, where Shelly was petite with short, jet-black dyed hair, light blue eyes and full red lips.

When I finally met my new roommate, she was coming out of our room with a girl from another dorm. I couldn't believe it when she said that they had sex. Well, actually, she said they "fucked." Not used to hearing such a pretty girl swear or talk like that, I must have blushed a bright red because she immediately called me out on it and demanded to know my sexual history, specifically if I was a virgin.

Stammering with being hit with such a blunt and—in my mind—personal question, I told Shelly the whole truth. In no way was I a slut—I'd only slept with two boys only after my 18th birthday eight months ago—but I'd done other things with guys in between. Shelly's jaw almost dropped to the floor. Puckering her red lips, she leaned in and kissed me straight on the lips. It was so startling and I wanted her to stop at first, but her lips felt so good the way she was moving her tongue around the inside of my mouth. Gosh, it just made me damp in my little cotton panties.

I broke away long enough to shut the door to our new home away from home, and strangely, I pulled Shelly back into an embrace that took us straight to her bed. Pulling off our tops, I shoved my full chest against her pale flesh and the feeling was like a giant static shock that began and ended in my pussy. Grinding against each other, we wrapped our thighs together and humped our bodies in unison. I felt so silly but oh, did it feel so nice! Throwing back my long flaxen hair away from my face, I leaned my head back and right then, Shelly began sucking on the side of my neck. A guttural moan of pure physical satisfaction came rumbling from my lips as a giant body quaking orgasm started to build and build. Pinching my bare nipple hard enough to make me gasp, Shelly shoved me over the orgasmic edge as I yelped and yelped as my gushing pussy soaked my panties with sweet cunt juice. No boy ever made me cum like that before! We spent the remainder of the day just stroking each other, fucking and making out until the morning light.

Before we got out of bed, Shelly told me she wasn't totally gay. She also said she knew I was curious from the way I licked my lips when she told me about the girl in our room earlier. I didn't even realize I had even done that. Shelly told me that whenever I felt like hooking up, it was fine with her. However, she wasn't going to wait around for me. You know if a guy said something like that I'd have his balls, but I was so glad to hear it from Shelly.

> "My mouth was filled with hot cum that slid straight down my throat!"

Shelly and I continued to hook up, but I still hadn't made a lot of friends yet. Joining a sorority seemed like the best way to meet other girls who share the same interests as me. Shelly didn't want to come and I sort of didn't want to go alone. Something felt right about going to this meeting and some other girls from my floor were going, too. I was so glad I did. I was asked to rush right away and I happily accepted. The girls were so cool, even though everyone else called them, "The Mean Girls." I thought everyone else was just jealous because only the best-looking and wealthiest girls were accepted in the sorority.

Learning all the history and sisterhood stuff was fun, but I loved the parties we threw more. I had my first three-way after this wild Pimps and Ho's party. I got to dress like a pimp and I took the two ho's back to my room. Things got so crazy during a game of "XXX Dare." After some deep kisses and body licks, one guy suddenly was sucking on my left tit while the other guy had his tongue up my butt. I'm not kidding, it was so weird, but it felt really great at the same time. His tongue poked and traced the outline of my pink butthole as if he was painting it. Oh god, it made me so wet! I kept pushing my sopping pussy down against his face trying to make him use that tongue on my clit.

His frat brother had moved off my tit once he felt me moaning and grinding and finally put his cock in my mouth. Flat on my back getting face fucked, I didn't get a chance to see the ass man take down his boxers and unleash his giant cock. Of course, ass man started banging me as I was trying to take his buddy's thick cock all the way down my throat and lick his balls at the same time.

It was a good thing I was so wet. The ass eating guy's cock was like a baby's arm and once he was inside, he drilled me so hard it felt as if his cock was going to come out my ass! They weren't that great at fucking me in unison and both came way too quickly. First, my mouth was filled with hot cum that slid straight down my throat. Seconds later, his buddy was exhausted, filling his rubber with cum as he pumped his last strokes inside my pulsating pussy. Just as well, that big cock might have broken my pussy in two! The first threesome was definitely a lot of fun, and I discovered I really liked to have my asshole eaten. I still can't wait to try a real DP!

Until that happens I'll have to keep expanding my horizons, as my sorority sisters say. I wonder if spreading my legs is what they mean? Coming out of my shell to do all sorts of nasty things has been so exciting that I can't wait for next semester!

THE NEWS RACK

ALL THE NEWS WITH TITS

By Steve Nelson, Editor-in-Chief of Adult Industry News (AINews.com)

GENT MAGAZINE • JUNE ISSUE #153

Twenty minutes after I left to go up to the AVN Adult Entertainment Expo this year, I got a call from one of my new roommates telling me she wanted me to throw the other girl out because they were both throwing each other’s clothes off the balcony and ‘’she started it”. I told her they should stop acting like a couple of fuckin’ kids and I’d deal with it when I got home. Other highlights from this trip are having a girlfriend with tits the size of honeydew melons invite me to a swing party where a pair of twins and she wanted to see if I could handle three women, and getting knifed in the leg.

The Expo was a bit smaller this year but still one of the best networking opportunities in the business. As far as both the businesses gathered from all over, and the fans that come out to the show, the AVN AEE has always been the best show of the year. Being in Las Vegas at the same time as the Consumer Electronics Show is always a great help, and it shows by how many of the fans are wearing multiple badges from both events.

Kelly Shibari promoted the first party I went to. It was called ‘’Breasts & Bondage” and was at the Erotic Heritage Museum. Shibari chose breast cancer awareness for her fundraiser because her mother has breast cancer. The fundraiser was sponsored by PaddedKink, PornStarTweet, YNOT, MaXXXimum Network and ReverseTensionz. This was the first time I had visited the museum and it’s worth a few hours away from losing money at the casinos to take in all the exxxhibits.

Shibari had a midnight raffle where they gave away items ranging from adult DVD packs, BDSM gear, website memberships, collector’s art pieces and more. The ‘’raffle girls” included Shibari, Moxxie Maddron and AVN December cover girl April Flores, among others. An after-party was held at the Velvet Lion Topless Nightclub until way too late, to get up early.

Hillary Hooterz and Mianna Thomas were roaming around interviewing for the show ‘’Last Call” with the Sport Swami. What beautiful boobatious bookends those babes make! They could keep my motorboat idling all night long!

I ran into VH1’s Frenchy (aka Angelique Morgan) at the Sapphire booth. She looks great with some new pink highlights in her hair - or as she says it with her French accent, ‘’peeenk highlights.” I had the pleasure of doing a shoot with her a few years ago. I’ll have to release it somewhere down the line so you can see some fresh footage on this luscious French tart.

There were too many great people to mention in one column but I have to mention that mingling in the crowds were Europe DiChan, Angela Summers - who looks fantastic, and Kiki Daire who may be contemplating a comeback.

A.I. Studios had an impressive lineup at their booth too. Ginger Lynn was the centerpiece and it was great seeing her again! Also there were feature dancers Shay Lynn and Jaded Dawn, and the beautiful Veronica Ricci and Emily Parker. Luminaries such as Cousin Stevie and Evan Stone were also signing at the A.I. booth.

I was delighted to find Diamond Jackson was signing at the booth next to PAW. She's charming! Lori Wagner was signing at the PAW booth and it was nice to talk and get to know her better. Luxury Amore also stopped by to introduce herself and let me know she likes old, bald, white guys. Time for me to get tested!

I was particularly impressed by the AVN Awards Show this year. The venue was, in my opinion, just the right size - not too big like the amphitheater we were in last year. Last year's stadium seemed to echo with the empty seats and appeared to be a third empty at it's fullest.

DIAMOND JACKSON

The Palms was the perfect size and had a warm feel to it, as though it was hand crafted to be filled with Adult's finest Talent. The official red carpet was, as always, the paramount photo opportunity for the Adult Industry. The girl with the most beautiful dress had to have been Gina Lynn this year. And I'm happy to say ''The Gauntlet", as it was called at the Venetian, was back. Everyone who entered the event walked through the casino and had their time on ''the red carpet" lined with fans on both sides with their cameras.

The show ran smooth and, aside from the occasional flub on the teleprompter, went without a hitch. For a complete list of winners read Myles Shaffer's account of the event in his column ''Myles' Weekend Adventure" headline ''MWA: AVN AEE" at http://ainews.com/story/17105/ on Adult Industry News (AINews.com), or on the AVNawards.com website.

Ok, I'm always confused by the after parties. All week long every party on the Strip seems to tout that they are ''the official" AVN Awards afterparty. It seems I went to several parties, all different, all official, all good, all night. Needless to say I was exxxhausted.

Not too tired to attend the only event I religiously go to each year, however, which was the Legends of Erotica at Showgirl Video on Friday evening January 8, 2010. Inducted into the Hall of Fame this year were Cleopatra of the Nile, Roxanne Hall, Kylie Ireland, Joanna Storm, Peter North and the late Shauna Grant. Debi Diamond inducted Kylie this year, and JoAnna was inducted by her two daughters.

After a great trip I got home to one roommate all tweaked out and on a rampage who left with most of my towels and pillows, and owing me rent. The tweaker had gotten

HOOTERZ THOMAS

''the good roommate" fired when she quit her job ''and was leaving and there was nothing I could do to stop her!" (Good. I don't need someone yelling, ''Stop yelling at me!" at me, and blaming everyone else why she's such a loser.) The good roomie had to go too since she now owed me a half month rent and had no way to pay.

To re-cap Las Vegas, the twins at the swing party never happened for me because my date dropped her phone in the jacuzzi and couldn't buzz me in. I didn't even see those honey dew-sized hooters this trip! And the stab wound? Well, I walked into my friend's knife. He felt worse than I did! My fault! It was less than an inch deep and only cut meat. Clumsy me!

Write me, Steve Nelson, and let me know if there are any girls you would like to see featured in ''the News Rack". Write to me at Editor@AINews.com, subject: ''Gent Column", or at www.MySpace.com/ReadAINews. For me, like so many of you readers - from the womb to the tomb, it'll always be about the tits!

JUICY
BIG JUICY TITS 3

Daphne Rosen has big tits all right, though I'm not sure if they're filled with juice, or what. However, she has a large puffy pussy that is incredibly juicy, once you get it heated up. I think she's with Jay Lassiter here, as her guy appears to have been fully trained by Axel Braun to get girls to squirt. But first he's just going to have to attempt to titty fuck her, and his cock disappears between those twin planets, being sucked in by their gravitational pull. Daphne just wants to get laid and doesn't seem to want a big baby who only wants to suck on her titties, and eventually she gets her way. Before you know it she starts to squirt, and this encourages Jay (if it is Jay) to stick in two fingers and try to get her to squirt even more, which she does and does and does. And then does some more.

Babalu is probably from Brazil, as she seems to be fucking in Portuguese. She's got great big DD++ tits that swing and sway like they're full of papaya juice, as well as tan lines, black nails and large star tats that show she's from another planet. Her boyfriend may or may not be Desi Arnaz, but he's got Van Damage's piebald cock and he comes like Peter North.

Lorena and Bianca are also big-boonda Brazilians, Lorena having a row of alien stars and a biker chick look–a Brazilian Lydia Lunch, with black hair and a black studded bra and panty set. Bianca's a faux blonde who titty-slaps her guy. You can tell in reverse cowgirl that those puppies, unlike her hair coloring, are real.

Morgan's a Brit redhead, or at least her tattooed guy is a Brit. She jills for awhile and it soaks through her white peddle pushers, which is a distinctly nice touch that others might want to imitate. She has multiple pussy piercings and her guy has a really speedy tongue that seemingly makes them rattle. It also seems to rattle her mind, as she can't say anything more than "ooh yeah," not even "fuck yeah" leaving her lad to do most of the talking, while she just creams and cums.

Any man who has ever envied the sexual dimensions of other men in the showers or locker room . . . any man who has ever wanted, to thrust deep, deep into his woman and touch her where few men ever have . . . any man who feels inferior in sex performance because of "small" organ size will eagerly welcome the development of an amazing new product called PENIS-STRETCH.

PENIS-STRETCH IS SPECIFICALLY DESIGNED TO LENGTHEN THE PENIS TO ITS MAXIMUM!

How does it work? Simple! you simply wear PENIS-STRETCH—and you achieve a startling increase in the length of your penis! PENIS-STRETCH is made of quality material, will fit any adult male AND WILL DEFINITELY INCREASE THE LENGTH OF YOUR PENIS when used as directed. HERE'S WHAT PENIS-STRETCH USERS WRITE . . .

". . . incredible . . . my formerly shrunken organ now hangs out long and proud over my testicles."

"Couldn't believe it, but it works. Your PENIS-STRETCH gives me 2½" more length, and that's without an erection."

"Easy and effective . . . feel like a real man for the first time in years."

"I was told there was no way to ever make my penis longer, but nobody ever told me about PENIS-STRETCH. It works . . ."

These are only sample comments. But you can understand how overjoyed these men really are to discover that they need never again worry about a "small" sex organ. PENIS-STRETCH will work for you, too. Remember, NO MATTER WHAT SIZE YOUR SEX ORGAN IS NOW, PENIS-STRETCH WILL MAKE IT MEASUREABLY LONGER!
